# Introduction

**Grammarway 1** is the first book in a four-level grammar series presented in full colour. The book is designed for learners of the English language at Beginner level, and can be used for self-study or in the classroom as a supplement to any course at this level.

The aim of the book is to help learners understand basic English grammar structures through comprehensive theory tables and functional examples, accompanied by a wealth of attractive photographs and illustrations.

The book consists of **20 units**, each focusing on a particular grammar topic.

A typical unit contains:

- presentation of the grammar structure by means of visual prompts
- simple, concise explanation of the grammar structures
- examples in everyday conversational English, together with a few expressions showing slightly more formal use
- exercises practising the new structures, to help learners use correct, appropriate patterns in everyday situations
- speaking and writing activities to practise the new structures in oral and written form

A **revision unit** follows every five units to consolidate material presented in previous units.

**Games Section** for students to practise grammar structures taught while having fun.

The **Picture Flashcards** which accompany the book can be used for lively, motivating presentation of the target grammar structures.

The book adheres to the principle that every structure should first be heard, then practised in oral and, finally, in written form. Based on the use of full-colour visual stimuli, the book encourages learners to speak before writing, and allows them to practise English structures through a variety of enjoyable and useful activities.

The Student's Book is accompanied by a **Teacher's Book** containing:

- guidance on presenting the theory of each unit, with or without Picture Flashcards
- a full key to the exercises in the Student's Book
- four tests in two separate versions each

## Thanks

The authors would like to thank Rania Dunn, Anna Miller, Laura Houston, Jonathan Harrison and Steven Davies for their help in producing this book. Many thanks to E. Mavragani (art director) and V. Sipsi (assistant director). We would also like to thank those institutions and teachers who piloted the manuscript, and whose comments and feedback were invaluable in the production of the book.

- with uncountable or plural nouns. We can use **some** instead.

**some chocolate**

**some eggs**

- in front of an adjective when there is no noun after it. But when there is a noun after the adjective, we use **a** for adjectives which begin with a consonant sound and **an** for adjectives which begin with a vowel sound.

**It is a car. It is fast.**

**It is a fast car.**

**It is also an expensive car.**

**1**

First say, then write **a** or **an**.

Olivia likes red  
roses.  
She spends a

Does she work  
in the garden  
every day?  
Yes, she does.

We form the present simple with the subject (i.e. the subject pronoun or noun) and the main verb. We usually add an **-s** to the third person singular in the affirmative. In the interrogative and negative forms we use the auxiliary verb **do/don't** with **I, you, we** and **they** and **does/doesn't** with **he, she** and **it**. We do not add an **-s** to the main verb when it appears with **does/doesn't**.

## Adverbs of Frequency

We use adverbs of frequency with the present simple. They show us how often something happens and include the following:

never	often
seldom/rarely	usually
sometimes	always

Adverbs of frequency go before the main verbs in simple tenses (work, drink, etc.).

e.g. *I usually work on Saturdays.**They never drink coffee.*

But they go after the verb to be in simple tenses.

e.g. *It is often cold in winter.**He is always late for work.*

Adverbs of frequency go after auxiliary verbs (can, do, etc.).

e.g. *He can never wake up before 10 o'clock.*

7

**Put the adverbs in the correct place as in the example.**

- 1 I drink a glass of milk in the morning. (always)  
...*I always drink a glass of milk in the morning...*

*Do they often go to the cinema?*

(NOT: *Do often they go ...*)

## Present Simple versus Present Continuous

- The present simple expresses a permanent state or an action which is repeated.

David **works** for a big company.  
He **works** from 9 to 5 every day.

- The present continuous expresses a temporary situation, that is, an action happening at or around the moment of speaking.

David **isn't working** at the moment.  
He **is** at a restaurant.  
He **is having** dinner with his wife.

11

Today is a holiday. Look at the pictures and write what George does every day and what he is doing today, as in the example.

### Non Continuous Verbs

Some verbs do not have continuous tenses (e.g. present continuous). These include:

believe, belong, forget, hate, hear, know, like, love, need, remember, smell, see, think, understand, want, etc.

The verb **have (got)** is not used in continuous tenses when it means possess.

e.g. I've **got** a pet. (NOT: ~~I'm having a pet~~)

However, we can use **have** in continuous tenses with the following expressions: **have breakfast/lunch/dinner** (=eat breakfast/lunch/dinner), **have a bath/shower** (=be in the bath/shower), **have a party** (=give a party), **have fun** (=enjoy oneself), **have a good/nice/bad time** (=enjoy or not enjoy oneself), etc.

e.g. He **has lunch** at two o'clock every day. (present simple)

He's **having lunch now**. (present continuous)

She **has a bath** every morning. (present simple)

She's **having a bath** at the moment. (present continuous)

## Adjectives/Adverbs/Comparisons

### Adjectives/Adverbs

James is a racing driver.

He is **young** and **famous**. He's got a **fast** car.

Racing drivers never drive **slowly**. They drive very **fast**.

◆ An **adjective** describes a **noun**. Adjectives go before nouns. They can also be used alone after the verb **to be**. They have the same form in the singular and plural. e.g. *This is a **big** house. He is **poor**. They are **poor**.* (NOT: They are **poor**.)

◆ An **adverb** describes a **verb**. It shows **how**, **where**, **when** or **how often** someone does something. Adverbs usually go after verbs.

e.g. *He walks **slowly**.* (How does he walk? Slowly - adverb of manner), *John is **here**.* (Where is he? Here - adverb of place), *He wakes up **early**.* (When does he wake up? Early - adverb of time)

Sometimes adverbs go before the main verb, e.g. the adverbs of frequency (often, always, etc.).  
e.g. *She **often** visits her parents.*

#### Formation of adverbs

a) We usually form an adverb by adding **-ly** to the adjective.

e.g. *slow* – *slowly*

b) Adjectives ending in **-le** drop the **e** and take **y**. e.g. *simple* – *simply*

c) Adjectives ending in **consonant + y** drop the **y** and take **-ily**.

e.g. *angry* – *angrily*

d) Adjectives ending in **-i** take **-ly**.

e.g. *careful* – *carefully*

### Irregular Adverbs

Some adverbs are not formed according to the above rules. They have either a different form or the same form as the adjective.

Adjective	Adverb

### ◆ There are two types of questions:

#### a) Questions with Yes/No answers

These kinds of questions begin with an auxiliary verb (e.g. **is**, **are**, **have**, **has**, **will**, **can**, **do** **does**, **did**, etc.) and then the subject. We usually answer these questions with **Yes/No answers**. e.g. *Are you watching TV? Yes, I am./Have you finished yet? No, I haven't./Can you type? No, I can't.* When the main verb is in the **present simple** (play, works, etc.) we form the question with the auxiliary verb **do/does**. e.g. *Do you play golf every Saturday? Yes, I do./Does he work hard? No, he doesn't.* When the main verb is in the **past simple** (arrived, sent, etc) we form the question with the auxiliary verb **did**. e.g. *Did she arrive early last night? Yes, she did./Did they send you a letter? No, they didn't.*

#### b) Wh- questions

Wh- questions begin with a question word. We put the auxiliary verb before the subject.

people	things	place	time	quantity/number	manner	reason	age
who	what	where	when	How much	how	why	how old
whose	which		how long (ago) how often	How many			

e.g. Who is that man? He's her father.

Whose is that coat? It's Jane's.

What is it? It's a pen.

Where are my glasses? They're in your bag.

When did he arrive? Yesterday.

Which book is yours? The blue one.

How are you? Fine thanks.

How often do you go out? Twice a week.

How much is it? £10.

## Question Tags

- ◆ Question tags are short questions at the end of a statement. We mainly use them in speech when we want to confirm something or when we want to find out if something is true or not.

*They're very small, aren't they?*

*Rabbits don't eat meat, do they?*

*A tiger has got stripes, hasn't it?*

- ◆ We form a question tag with the auxiliary verb and the appropriate personal pronoun.  
e.g. *Rita can speak French, can't she?*  
*You have spent a lot of money, haven't you?*

- ◆ When the verb of the sentence is in the present simple, we form the question tag with the auxiliary verb **do**, **does** and the personal pronoun. When the verb is in the past simple, we form the question tag with the auxiliary verb **did** and the personal pronoun.

e.g. *He likes golf, doesn't he?*

*Kevin went to Rome last year, didn't he?*

- ◆ When the statement is positive, the question tag is negative.

e.g. *She was at home, wasn't she?*  
*He lives in a flat, doesn't he?*

- ◆ When the statement is negative, the question tag is positive.

e.g. *They haven't finished yet, have they?*  
*She won't come to the party, will she?*

- ◆ When the sentence contains a word with a negative meaning like **never**, **hardly**, **seldom** or **rarely**, the question tag is positive.

e.g. *He is never late, is he?*  
*They seldom go to the theatre, do they?*

- ◆ Some verbs/expressions form question tags differently. Study the following examples.

*I am → aren't I?*

*I am strong, aren't I?*

*Imperative → will/won't you?*

*Close the door, will/won't you?*

*Let's → shall we?*

*Let's go out, shall we?*

*Don't → will you?*

*Don't shout, will you?*

*I have (got) → haven't I?  
(=possess)*

*She's got a sister, hasn't she?*

*I have → don't I?*

*You have a shower every day, don't you?*

*There is/are → isn't/aren't there?  
There is a man in the room, isn't there?*

*This/That is → isn't it?*

*That's Mary's coat, isn't it?*

## Intonation

- ◆ When we are sure of the answer and expect agreement, the voice goes down in the question tag.

e.g. *This is a castle, isn't it?*

- ◆ When we aren't sure of the answer and we want information, the voice goes up in the question tag.

e.g. *She isn't married, is she?*

# UNIT 18

## Modal Verbs

Modal verbs are verbs that go before other verbs. They include can, could, may, must, needn't, will, shall. They do not take an -s, -ing, or -ed suffix. They cannot be used in all the tenses, for example the modal verb must only appears in the present simple. Modal verbs are always followed by the root form of another verb.

e.g. He can play basketball. (NOT: He can ~~plays~~ basketball.)

### Can/Could/May

#### NOW

Peter is ten years old.  
He can read and write.

#### THEN

When Peter was eight months old, he couldn't read or write, but he could play with his toys.

- The modal verb **can** in the present simple shows that someone has the ability to do something (see Unit 4). In the past simple it becomes **could** and shows that someone had the ability to do something in the past. We form questions by putting can or could before the subject. e.g. **Can they run? / Could they run?**
- We form negations by putting the word **not** after can or could. e.g. **They cannot/can't run fast. / They could not/couldn't run fast.**

#### Affirmative

I could run  
You could run  
He could run  
She could run  
It could run  
We could run  
You could run  
They could run

#### Negative

Long form  
I could not run  
You could not run  
He could not run  
She could not run  
It could not run  
We could not run  
You could not run  
They could not run

Short form  
I couldn't run  
You couldn't run  
He couldn't run  
She couldn't run  
It couldn't run  
We couldn't run  
You couldn't run  
They couldn't run

#### Interrogative

Could I run?  
Could you run?  
Could he run?  
Could she run?  
Could it run?  
Could we run?  
Could you run?  
Could they run?

e.g. *He can speak French.*

e.g. *Can you help me with my homework, please?*

- c) to ask permission.

e.g. *Can I go out, please?*

We use **could** to express ability in the past.

**Unit 12 – Simple Past**

(Verb Bingo)

Explain to Ss that they are going to make a bingo table like the one below, but with different irregular verbs. Ss write 15 **past tenses of verbs** (use the list of Irregular Verbs on p. 126). Read out infinitives and Ss cross off the past tense if it is on their list.

eg.

made	broke	saw
slept	spent	left
did	ate	got
heard	knew	swam
told	wrote	woke

The first student to cross off all the verbs on their list shouts 'BINGO' to win the game.

## Unit 13 – Present Perfect

(The Perfect Game)

Cut and shuffle the sets of cards. Divide the class into pairs. Give one student in each pair a set of A verb and noun cards, and the other student a set of B verb and noun cards. Tell Ss to match the cards together. Then, Ss ask and answer questions looking at their cards.

eg. SA: *Have you ever caught a fish?*

SB: *No, I haven't. / Yes, I have.*

### A. Verb cards

catch	fly	ride	visit	see	lose
-------	-----	------	-------	-----	------

### Noun cards

--	--	--	--	--	--

### B. Verb cards

cook	visit	play	climb	see	drive
------	-------	------	-------	-----	-------

### Noun cards

--	--	--	--	--	--

## Unit 14 – a) Prepositions of Time (Missing Prepositions)

Divide the class into team A and team B. Say expressions of time without their prepositions. The two teams have to give the missing prepositions. The team with the most correct answers is the winner.

e.g. Teacher: summer

Team AS1: *in* summer

Teacher: 1995

Team BS1: *at* 1995

Teacher: *Wrong! It's in* 1995.

*Team B doesn't get a point.*

## b) Prepositions of Place – Movement (Draw a picture)

Tell Ss that they all have to draw a picture according to your description. Pin up the most accurate (not the most artistic!) pictures on the classroom wall.

e.g.

My house is between the bank and the post office. It is a big house. There are five windows at the front of the house, two on the ground floor and three on the first floor. There is a bus stop opposite my house. A woman is waiting at the bus stop. A blue car is going along the street. Some birds are flying over the house.

## Unit 15 – The Future (Guessing Game)

Write the cues on the blackboard, then divide the class into team A and team B. Choose a S from team A to start the game. Give him/her a piece of paper which says what he/she is going to do tomorrow. The team take turns to ask questions using 'be going to' until they find out what he/she is going to do. Then, choose a S from team B to continue the game. Each correct answer gets 1 point. The team with the most points is the winner.

**Cues:** play golf, watch TV, write a letter, listen to music, go to the cinema, visit a friend, do homework, go to bed late.

e.g. Team AS1: *Are you going to play tennis?*

Leader: *No, I'm not.*

Team BS1: *Are you going to play golf?*

Leader: *Yes, I am. etc*

## Unit 16 – Adjectives/Adverbs/Comparisons (A Famous Person)

Tell Ss to write a paragraph describing a famous person in five minutes. Then, divide the class into two teams. Students from team A and team B take turns to read out their descriptions without saying the person's name. The other team has to guess who the person is. Each correct guess gets 1 point. The team with the most points is the winner.

## Unit 17 – Questions (Snap)

Tell Ss to form pairs. Prepare 30 cards for each pair of Ss: 15 cards with question words and 15 with responses. Then, Ss shuffle the cards and deal them out face down on the desk. Ss take turns to lay their cards down. If the question and answer match, the student who says "snap" first gets all the cards. The first student to get all the cards wins.

**Snap Cards – One set per 2 Ss (cut up)**

### Questions

Who?	Why?	Where?	What?	How often?
How many?	How much?	When?	How long?	Whose?
When?	Who?	How long?	Why?	Whose?

### Answers

Her mother.	Because I'm bored.	Mexico.	A dress.	Every day.
Four.	€ 250.	Yesterday.	Since 1994.	Tom's.
At 5 o'clock.	Mary.	For 2 years.	Because I want to study for my exams	Jim's

## Unit 18 – Modal Verbs (Correct Sentences)

Divide the class into team A and team B. Then say a **modal verb**. The teams make sentences in turn. The team with the most correct sentences is the winner.

e.g. Teacher: *Mustn't*

Team AS1: *You mustn't talk in class.*

Teacher: *Shall*

Team BS1: *Shall you come tonight?*

Teacher: *Wrong! Team B doesn't get a point.*

## Unit 19 – Infinitive/The “-ing form”/Too-Enough (Snakes and Ladders)

Divide the class into groups of three and give each group a board, counters and a dice. The Ss must get from START to FINISH. Some of the sentences are correct and some are incorrect. The first student throws the dice and moves his/her counter along the board. If there is a sentence in the square the player lands on, he/she must say whether it is correct or not. If it's incorrect, he/she has to correct it. The other two students have to decide if the player has answered correctly or not. If the student is correct, then he/she goes forward 3 squares. If he/she is wrong, then he/she goes back 3 squares. If the player gets to an empty square, then he/she stays there and it's the next person's turn. If the player gets to a square at the foot of a ladder, he/she must go up. If a player gets to the mouth of a snake, he/she must go down. If the player lands on a square with a sentence, he/she must say whether it is correct or not, and so on. The winner is the first player to reach the 'FINISH' square.

<b>START</b>	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	20	21	22	23	24	25	26	27	28	30	31	32	33	<b>FINISH</b>

Tell Ss to form pairs. Prepare the 10 cards with student errors using “Both/Neither – All/None”. Give each pair a copy of the ten cards. Lay the cards face down on each desk. The first student takes a card and reads it to the other student. The second student must decide which sentence is the correct one. If he/she is right, he/she gets that card. If he/she is wrong the first student takes it. The winner is the student with the most cards.
